

JESSICA ABBOTT COSMETICS Training Academy

At Jessica Abbott's training academy you will learn to be the best in the industry, using the latest techniques with the best equipment to give you not only a superb experience, but you will walk away with the wealth of knowledge and skills that you will be able to use to kick start your career and be on top of the game.

Jessica is a well known, respected, award winning sponsored artist by one of the best tattoo suppliers in the industry, ensuring you will receive the latest techniques and trends.

All beginners training courses are designed for complete beginners, no beauty experience is necessary. However, if you decide to take that step further - once you have completed your beginners course - you can undergo the advance master classes with Jessica to become a master artist.

As a master artist you can then share your skills with others and train them using your own techniques; as well as being able to enter awards located around the world.

From the moment that you start your training with Jessica she is invested in you. Jessica is with you every step of the way, ensuring you reach your full potential. Even after the course Jessica will work closely with you as she is passionate about her students and wants them to excel in the industry.

If you sign up to this course you can guarantee in-depth, passionate and personal training!

Jessica Abbott's training academy is located in an area of outstanding beauty situated on 5 acres of land in the village of Barham, with views spanning across the valleys of the Kent countryside, we aim to offer you a superb experience in a private, exquisite location.

The clinic offers free parking.

All courses include an amazing lunch every day which caters for all dietary needs. A menu will be provided the week before your training so that you can select your meal for each day.
